

Wisconsin League of Conservation Voters
Endorsed Candidate Profile:

Jeff Wright

Office: State Representative, AD 51

Area of the state: Dodgeville, Monroe, Spring Green,
Darlington, Lafayette County, parts of Richland County

Why is **Jeff Wright** the best choice
for conservation in this race?

Commitment to conservation.

Jeff Wright is committed to honoring Wisconsin's long history of conservation. He believes by being good stewards of our resources, we not only protect our land, air, and water, we preserve many of Wisconsin's traditions rooted in the outdoors. He knows conservation helps secure long term economic opportunities through tourism and residents alike seeking a connection to the natural environment.

A community leader.

A true community leader, Jeff is an award-winning educator, a husband and a father, and is known for his ability to forge meaningful partnerships between public and private groups. He currently serves as an assistant superintendent in Sauk Prairie, one of the 15 school districts in the 51st Assembly District. He's also Wisconsin through-and-through. His family is a certified Wisconsin Pioneer Family -- descendants of pioneer settlers who lived in Wisconsin before it was a state.

Dedicated to a cleaner Wisconsin.

Jeff is dedicated to conservation efforts that protect our unique natural resources here in Wisconsin. He'll work for greater protection of our drinking water, encourage renewable energy sources, push for a more effective Department of Natural Resources, and protect our public lands. He'll fight to empower local governments, and keep polluters accountable.

When to vote: General election, Tuesday, November 8th

"When I reflect on my favorite days as a kid or my most memorable moments as a parent, most occurred in Wisconsin's great outdoors.

Sledding with our kids in the winter, turkey hunting with my father-in-law or planting our garden in the spring, waterskiing, swimming, and fishing with my extended family in the summer, picking apples and hiking in the fall.

We are so fortunate to live in a state with four beautiful seasons."
